David,

Are you referring to data or the map viewer?

If it's the map I literally just asked Josh K to update it to ensure all data is showing until we get the new map approved.

Hi Nancy,

Region 9's sampling locations are not being reflected on the Gold King Mine page (<http://www2.epa.gov/goldkingmine/data-gold-king-mine-response>). Would you please see if they could be added? Thanks!
